

How to watch live sessions on the workshop

Step 1: log in in your Facebook account.

Step 2: Search of Facebook page **Soeignou or click on the following page link:**

<https://www.facebook.com/Soeignou-108652794375044/>

Step 3: Like the page and follow it.

Step 4: Watch the live session being streamed on the Facebook page as scheduled.

Important points:

- Please follow netiquettes and maintain the decency of the forum.
- It is essential to like and follow the page to watch the sessions live.
- You can ask your questions to the resource person taking the session by typing it in the comment box below the live session.
- You can watch previous sessions also on the same page, if you have missed any.
- While preparing report of your activities related to the sessions of a particular day, also paste the screen shot of the session, which you can take and save while attending the session.
- Watch the complete session as the resource person will explain about the concept as well as the process to be adopted to complete the associated activity.
